

## 2.0 POLICIES & ORGANISATION

### 2.1 Quality Policy

Unidata operates and maintains a Management System which meets the requirements of ISO 9001:2015 legislation, regulations and subscribed codes of practice.

Continued improvement of the Management System is achieved by:

- Establishing management objectives in Health, Safety, Environment and Quality
- Conducting regular management reviews and internal audits
- Effectively managing workplace risks.
- Attaining the highest practically achievable standards of occupational safety and health within the scope of our operations.
- Attaining the highest practically achievable standards of environmental management within the scope of our operations
- Ensuring that all personnel are trained in the use of the Management System
- Creating a culture that will promote continual improvement.
- Encouraging all personnel to offer suggestions for improvement
- Committing adequate and appropriate resources to enable these goals to be achieved.
